Mr. Henry Raggeri,
Price, Utah.

Dear Sir:

RE: SPRING CANYON DIST.

Thank you for your letter of May 29 with reference to Demarco-Elegante trouble.

I do not know what the latest developments are but I judge that Mrs. Demarco has filed suit largely because of the failure of Mrs. Elegante to put in the pipe line and arrangements which I suggested last year and which I still believe will result in such distribution of the water as would reasonably satisfy both.

Yours very truly,

State Engineer.
